Is Nursing in Your Future?
Discover the newest learning technologies at UH Mānoa Nursing’s Open House.

**Saturday, November 18, 2017**
9 - 11:30 a.m.
UH Mānoa Nursing, Webster Hall, Room 203

No cost. Parents / guardians welcomed.
For students in grades 11 and 12.
RSVP online by Wednesday, November 8, 2017.

Visit UH Mānoa Nursing and experience nursing education using simulation training and tour the state-of-the-art UH Translational Health Science Simulation Center. Learn about the **High School Direct Entry into Nursing Program** designed specifically for high school graduates. The program prepares students to get a Bachelor of Science degree in four years. Students start prerequisites as freshmen and begin the nursing curriculum in year two. Students graduate with a BS degree and are prepared to provide high quality care as a Registered Nurse.

For more information about the High School Direct Entry in Nursing program, contact Brian Akiyama, Pre-Nursing Advisor & Admissions Specialist at (808) 956-3794 or bsnurs@hawaii.edu.

Persons with disability-related access needs or event-specific questions are invited to contact Carlyn Okatomi at (808) 956-0896 or carlynli@hawaii.edu by Wednesday, November 8, 2017.

Saturday parking at UH Mānoa is a flat fee of $6.
